EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Shelly Beckstrand on 08/23/2005 11:30 AM EDT.

The Specification (Pgs. 157-158, Section labeled Alternative Embodiments, starting at the top of Pg. 158, lines 1-11) should now read as follows:

In particular, it is within the scope of the invention to provide a computer program product or program element, or a program storage memory device such as a magnetic or optical tape or disc, or the like, which constitute program instruction-embodied media for storing at least program instructions readable by a computer, controlling the operation of a computer according to the method of the invention and/or structure its components in accordance with the system of the invention.
